To whom it may concern;

Re: James Thomson

James Thomson has carried out a wide range of 1st & 2nd fix plumbing works, these include –
Under floor heating, bathroom fit out, kitchen fit out, hot water cylinder and central heating
instillation.

James has been sub-contracting for Country Homes Ltd now for 2 years, in this time he has worked
on 2 of our developments. Macree being the first, this site comprised of three, 3 bedroom town
houses. The second being The Woodhams, this site comprises of five, 4 bedroom high specification
houses over 3 floors – all 3 floors fitted with Hansgrohe bathroom suites & taps.

James has been a pleasure to work with, always remaining professional & an asset within my team.

Regards

Managing Director
